Practising Labour Law in the Federal Magistrates' Court

The Federal Magistrates' Court is an increasingly important jurisdiction for the practice of labour law in Australia. This seminar will provide an inside perspective on some of the key features of the Court's jurisdiction and jurisprudence.

We are delighted to announce that our guest speaker will be:

Federal Magistrate Phillip Burchardt

Burchardt FM took up his appointment in June 2006. His Honour was previously a prominent member of the Victorian Bar, specialising in industrial and employment law.

This seminar will cover the jurisdiction of the Federal Magistrates' Court in labour law; practice and procedure in the Court; key developments in the Court's jurisprudence in labour and employment law, including discrimination law; and likely future developments, including penalty proceedings.
